THE PILOT OF THE SWALLOW.—The Grand Jury of the U.S. Circuit Court, yesterday brought in a true bill against William Burnett, late pilot of the *Swallow*, *charging him with manslaughter. The indictment charges that “the said William Burnett did by his misconduct, negligence, or inattention, cause the death, on the night of the 7th of April last, by drowning or suffocation,” &c.* We are glad to find the Grand Jury have so promptly done their duty. Their actions will have more influence on steamboat officers, than any legislative report whatever,—[*N. Y. Com. Adv., Saturday.*]
