ERIE, (Pa.) SEPT. 9.

The Sea giving up its Dead — Between 120 and 130 bodies have been taken from the Lake since our last publication, chiefly found near where the Erie was burnt, and all having rose to the surface near the same time. A heavy thunder storm passing over the spot is said to have produced this sudden effect. They have been buried principally at Dunkirk, Silver Creek, and Buffalo. One body, a man, German by birth, having in his pocket a ticket for passage to Chicago marked C. Kellermann, given by P. L. Parsons & Co, was brought in at this port and buried. Six of those found below, namely, Robert Hughes, Joseph B. Sterrett, Philip Feigart, **Augustus Fuller**, Jerry Shane, and Patrick Foley belonged to this borough and count^y. — *Gazette*.
